

**THE SPECIALIST IN  
FRESH MUSHROOMS**

# Mushrooms

## A true Superfood

Good food needs to be as close as the supermarket or greengrocer. Mushrooms are convenient and super healthy. However most people consume only 2-3 commonly known types of mushrooms.

Green Mushroom Farm offers a wide variety of the best quality mushrooms under its Starchamps brand. Always ready to cook and attractively presented.

With our tailor-made supermarket concepts we offer an unseen addition to every supermarket.

### Added value

- Attractive packaging
- Tailor-made shop concept
- Year round availability guaranteed
- Seasonal product offerings
- High margins

**Healthy and unique addition to your supermarket assortment**

**People who eat mushrooms, supply themselves with nutrients in amounts which usually are not found in vegetables.**

**With no fat and cholesterol and low on kilojoules, mushrooms perfectly fit in a healthy diet we all strive for.**

# About **Starchamps**

STARCHAMPS is the top brand of Green Mushroom Farm, a specialized mushroom trading company. With our broad range of wild-, exotic-, and cultivated mushrooms we deliver the best quality throughout the world. Not because we say so, but because our clients do.

STARCHAMPS stands for diversity, quality and specialized products. With a very strict and careful selection of suppliers we always ensure premium quality: Fresh-, tasty- and safe products with a maximum shelf-life.

**Wild- and cultivated mushrooms  
year-round available**

**The best known mushrooms are available in the autumn, but there are mushrooms all year round. Each season comes with different types of mushrooms. Our extensive knowledge and experience enables us to advise and assist you in many ways. We are specialists in the field of exotic mushrooms from South-Korea like: Eryngii, Shimeji and Enoki.**

**Starchamps is the top brand of Green Mushroom Farm. We deliver the best quality mushrooms from home and abroad throughout the world.**

## Year round availability

We understand that continuity and product availability are important factors on a company's success. Therefore we guarantee a year round availability on all cultivated mushrooms and in any quantity you need.

## Service

For many years now, Green Mushroom Farm has been striving to offer the very best service. Our entire organization is arranged in such a way to ensure that our customer's wishes can be satisfied in all cases.

- Fast delivery times
- Order handling 6 days a week
- Flexible delivery times
- Various packaging units

## Quality

Our business philosophy is to trade in only the highest quality mushrooms. To ensure our high product quality and safety we have developed a strict quality management programme. This way we are able to offer the highest quality mushrooms available on the market.

## Attractive packaging

Product packaging plays an important role in the buying decision of shoppers. They appreciate attractive packaging and are willing to pay a higher price for products which are attractively packed. We have introduced a completely new packaging line for our Starchamps brand. Also we offer tailored packaging units depending on our clients needs.

- Packaging tailored on our clients needs
- Customizable weights per packaging unit starting at 80 gr.
- Single- and multi product mixes available
- Ready to cook products for quick and easy integration in any supermarket.

## High volume packaging

Also for all high volume needs in industries like catering, hospitality and restaurants we offer attractive packaging and the best products available on the market. From ready to cook mushroom mixes to high volume single mushroom packaging.

- Attractive packaging
- Available in high volumes and year-round
- Products with highest possible shelf life
- Available in units of 1 kg and 3 kg
